

Hongki Lim

hklim@inha.ac.kr
<https://limhongki.github.io>

Education

University of Michigan, Ann Arbor Sep 2015 - May 2020
Ph.D., Electrical Engineering and Computer Science
with a concentration in signal processing and machine learning

Inha University Feb 2006 - Aug 2012
B.S., Electronic Engineering

Research Interest

Generative model; Unsupervised learning; Image reconstruction and analysis

Research and Work Experience

Inha University *Assistant Professor* Mar 2022 - Present
Department of Electronic Engineering

Siemens Healthineers *Senior AI scientist* Sep 2020 - Jan 2022
Digital Technology & Innovation

University of Michigan *Research assistant* Aug 2016 - May 2020
Advised by Prof. Jeffrey Fessler and Prof. Yuni Dewaraja

Qualcomm *Internship* Feb - Jun 2015
Computer Vision Group, Corporate Research & Development

Samsung Electronics *Associate* Jul 2012 - Jan 2015
Technology Planning Group, Strategic Planning Team, System LSI Division

Samsung Electronics *Internship* Dec 2011 - Feb 2012
Technology Planning Group, Strategic Planning Team, System LSI Division

Korean Air Force *Sergeant* Jul 2009 - Aug 2011
Avionics Maintenance Battalion

Dissertation

Quantitative image reconstruction methods for low signal-to-noise ratio emission tomography
Advisor: Jeffrey A. Fessler, Yuni K. Dewaraja

Journal Papers
